

STEP-BY-STEP GUIDE FOR THE HEALTH SCREENING PROGRAM WITH INNOQUEST PATHOLOGY LAB

- 1) **Pre-Registration:** Complete the pre-registration form for the Health Screening Program (HSP) through this QR code.

A screenshot of a web form titled "Amway Health Screening Programme - Auto-Results Form". The form includes fields for "Your identification number (MRC/ Passport Number)", "Full name", "Health Screening code (Amway's provided codes)", "Mobile number", and "Email Address". It also contains instructions and a disclaimer at the bottom.

OR click the link [here](#).

- 2) **Visit the Lab:** Bring a screenshot of your pre-registration confirmation and your HSP voucher for sample collection. If you have not filled it out earlier, kindly scan the QR code at the counter at Innoquest patient's center.
- 3) **Verification:** Innoquest staff will verify your screening pass via the AMWAY website, complete the lab request form, and include:
 - HSP code in the Reference column
 - Your email address and mobile number
- 4) **Blood Sample Collection:** Proceed with the sample collection process.

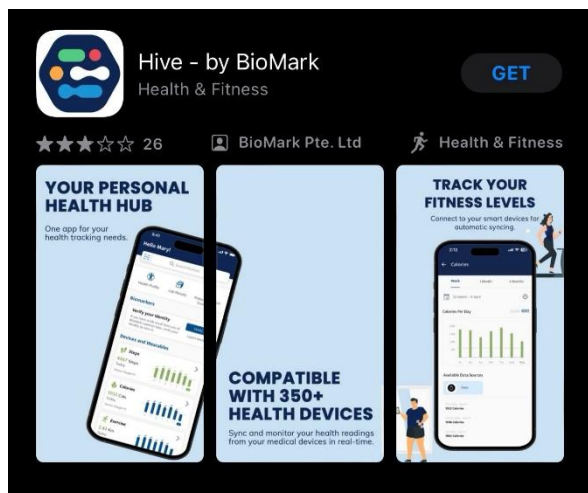

Note to Participants:

Pre-registration is **MANDATORY** to receive your access code via email. To avoid long queues, please register at home. If needed, lab staff can assist you on-site.

For any inquiry, please email to customercare@innoquest.com.my or call Innoquest Hotline 1300 88 0234.

GET YOUR REPORT IN HIVE APPS

1) Download HIVE apps in your phone.

2) Sign up an account
