GUIDE

This is a 15-day diet and exercise guide. Each day, you will have a recommended meal plan and exercise routine to complete. Use this guide to complete your 30/60-day transformation journey.

Before you begin, here are several key information you need!

Body Mass Index (BMI)

This is the most established and widely used measurement defined as:

BMI = Weight (kg)/Height² (m)²

BMI (kg/m ²)	Classification	Level of Health Risks
<18.5	Underweight	Low
18.5 – 22.9	Normal	Average
≥23	Overweight	High
23.0 – 27.4	Pre-Obese	Increased
27.5 – 34.9	Obese I	Moderate
35.0 – 39.9	Obese II	Severe
≥40.0	Obese III	Very Severe

Obesity – Are you at risk?

Diabetes

Heart disease and stroke

High blood pressure

Osteoarthritis

Breathing problems, such as sleep apnea and asthma

Gallbladder disease and gallstones

Gout

Some cancers

BODYKEY JUMP START KIT SUPPLEMENT GUIDE

Meal Replacement Shake

Morning	Night	Remarks
	✓	Replace 1 meal at night. If light dinner is usually consumed, replace the heaviest meal in a day with a shake. The shake can also be taken for breakfast.
	✓	Take together with Meal Replacement Shake for satiety and muscle mass preservation.
✓		Take 1 stick in the morning or any other preferred time for satiety, good digestive health and metabolic functions. It provides a good source of prebiotic which will enhance gut health with probiotic. It can also be mixed with the Meal Replacement Shake and Soy Protein Drink.
✓		Take 1 stick in the morning or any other preferred time to balance and maintain gut microbiota and contribute to a healthy intestinal environment. It can also be mixed with the Meal Replacement Shake and Soy Protein Drink.
✓	✓	For your daily nutrition gap.

EXERCISE ROUTINE

- For workout days, the routine will take approximately 20 minutes to complete.
- You can choose to scale up or scale down workouts based on your energy/fitness levels.
- Before starting your exercise, complete the '60 Second Burpee Test'. This test determines your fitness/energy levels.

60 SECOND BURPEE TEST

- Complete the Warm-Up section under 'Exercise' on the BodyKey App
- Set a timer to 60 seconds.
- Do as many burpees as you can in 60 seconds while maintaining good form.
- Do this test again after 15 days and see if there's improvement!

Your Results:

<15 burpees	<25 burpees	<35 burpees	>45 burpees
Below Average	Average	Good	Excellent

Extra Notes

- The 'Warm-Up' and 'Cool-Down' routines can be viewed on the BodyKey App.
- To view movement guides and videos, access the 'EZ Training' section on the BodyKey App.
