# Viewing Lab Results in BioMark App

Patient can follow these 3 simple steps to view their lab results.

## Step 1 Download The BioMark App

Our app is available in iOS and Android. Once downloaded, proceed to create an account.

[Download the app](#)

## Step 2 Input Results Code

Click on the “Scan” icon located on the top left side of the the app and input the results code provided to you.

Your results code is:  
**ABC-1234-45678**

## Step 3 Verify Your Identification Number

For security purposes, you are required to verify your Identification Number (NRIC) before you can view your results. It will need to match the ID provided to the healthcare provider

# Booking a Teleconsultation Slot

Patient can book for a teleconsultation slot with BioMark's local doctor to review their lab test results online. Confirmation email will be send upon date and time confirmation.

The image shows a meeting card for a BioMark Teleconsultation. It includes the BioMark logo, the title "BioMark Teleconsultation", the organizer "BioMark", and details such as "1 hour" and "Video Conference: Google". It also lists "Attendees (1)" with a BioMark profile icon.

## Appointment Booking System

The image shows the Appointment Booking System interface. It features a "Select a Date & Time" header with a location dropdown for "Kuala Lumpur [GMT+08:00]". Below this is a calendar for "March 2023" with days from Thursday 09 to Friday 17. There are toggle switches for "Show times I'm free" and "Hide conflicts". A grid of time slots is displayed, ranging from 9:45 AM to 1:00 PM.

Time Slot	Time Slot
9:45 AM	10:00 AM
10:15 AM	10:30 AM
10:45 AM	11:00 AM
11:15 AM	11:30 AM
11:45 AM	12:00 PM
12:15 PM	12:30 PM
12:45 PM	1:00 PM

# Getting Support From BioMark

Patient can click the "Contact Us" button to learn more on how to view their results in the app or to get support from our team.
